North Cross School does not discriminate on the basis of race, color, religion, national or ethnic origin, or any other legally protected status in the administration of its educational, admission, financial aid or employment policies, or any other programs administered by the School.

OUR MISSION

North Cross School is an independent, nonsectarian, college-preparatory school that serves children from early childhood through twelfth grade. North Cross provides a rigorous academic curriculum, competitive with the best college-preparatory schools in the Commonwealth of Virginia. While we explicitly recognize the importance of intellectual development and academic achievement, we also strive to promote personal integrity, empathy, and responsibility to self and community. Through this, our graduates will act as leaders in the local and global communities, persons of intellectual and moral courage, and scholars in the service of others.

LETTER FROM THE HEAD OF SCHOOL

At the risk of sounding repetitive, I will once again, say about North Cross, "It has been a remarkable year." Remarkable in that despite the significant challenges we have faced, we have seen a tremendous upside. On balance, I am comfortable saying that we have done better than I ever could have imagined, and I always imagine a terrific and successful year.

During this pandemic, I could not have been more proud of our faculty, students, and parents as all worked so hard to remain safe while continuing the business of school; teaching and learning. There remains a positive, can-do attitude that is obvious to all in the Valley and I believe that, just as in previous years, we have successfully managed to remain focused on providing the best education possible. At the very least, we established ourselves as the most credible educational option in the Valley.

We began the new year with a campus that finally reflects the seriousness with which we take the educational endeavor. As an added bonus, we were fortunate to have completed construction just in time to welcome more than 125 new students. We delivered both in-person and virtual learning, a complete athletic program, and watched the creative energies of our thespians and artists come alive in virtual and online performances and exhibits. Our medical advisory group continued to listen and digest ever changing information and to appropriately advise us on the best ways to stay safe and keep our students engaged on campus. Enrollment is now at an all-time high of 570 students, as we have been recognized for our commitment to on-campus learning and a comprehensive COVID testing program that dramatically improves our chance to remain open in the face of escalating local positivity rates.

Our admissions folks often talk about the North Cross difference, our margin of excellence, and now we have been given a tailor-made opportunity to show to our families this is more than a sales pitch. Positive reviews from new and existing parents and indications that many want to bring siblings and friends to our campus for next year have been great to hear, and word is being spread across the Valley that North Cross is a great place for your child to learn and grow.

With vaccines delivered and more people receiving them, we are able to depart from our COVID class size maximums and have opened seats for more students on campus. We are bound together in a community that values family, education, and the hope that North Cross will help our children get the most out of their lives. Though we certainly live in stressful times, I remain confident that better times are around the corner and am grateful for the resilience of the North Cross community.

Thank you so much for all that you have done to make this year a remarkable one. With a bright future ahead, I truly believe there has never been a better time to be at North Cross.

CHRISTIAN J. PROCTOR, PH.D., Head of School

FROM THE BOARD OF TRUSTEES

We have a lot to be proud of as we look back on the 2020-21 academic year. Still faced with the pandemic, the strength, resilience, dedication, creativity, and professionalism of the North Cross community — students, parents, faculty, administration, and Board — was a bright light in the Roanoke Valley. In fact, we have shone so brightly that our current 2021-22 enrollment is at a record high of 570 students — proof that our School is being promoted by our families and recognized for the excellent education it provides.

We continue to prove that as an independent school we are able to handle challenges nimbly and effectively. North Cross continued to provide a full educational experience while protecting the health of our students and their families. The school developed a comprehensive plan to open safely, committed to remain open for the 2020-21 academic year. We can all be thankful for all of our mitigation efforts: testing (with a primary and secondary supply source), mask wearing and air cleaning, along with temperature checking and many other efforts.

The School also recognized that the health and happiness of our children involves a lot more than defending against a virus. A big part of our goal with our testing regimen was allowing our students to more safely socialize inside and outside of school. This meant putting a great deal of staff time and effort to enable our students to participate in activities such as athletics or recess in as safe a manner as practical. Our students enjoyed interscholastic competition all year; and with some creative modifications, our arts programs were also alive and well as they produced both a dramatic and a musical performance and exhibited their artwork in a cleverly creative online show.

These efforts speak highly of the partnership we have at North Cross between our families, students, faculty and staff. Dr. Proctor and the School have a right to be pleased and proud of their accomplishments — not only with regard to COVID, but also to the many other initiatives and programs they have launched. We continue to attract students and families who appreciate that

“more” happens here and word is certainly spreading that North Cross has a passion to provide the best educational experience for every student at every level in our school.

Our transformed campus has created a spark of energy for our students and faculty, and I believe our facilities are now a match for the exceptional educational experiences we deliver. It certainly has made a huge difference in the life of students and faculty at North Cross School. It was incredibly special to be able to show it off during our Head of School search, as our facilities now match the caliber of education we offer. Our next Head of School, Armistead Lemon '95, said in her letter to our community, “Visiting campus allowed me the opportunity to marvel firsthand at the strategic enhancements to campus...North Cross’s future is so bright. It’s also clear that at its core, North Cross remains unchanged in the best ways.”

The Board continues to work on behalf of our students and their families to support North Cross in providing the best educational opportunities in the region amidst unusual times. As always, this is a community effort that takes the commitment of our staff, parents and students in ways large and small. On behalf of the Board of Trustees, thank you for everything you are doing for North Cross and for the positive impact you are having on our students.

SARAH BOXLEY BECK '98, Chair of the Board of Trustees

FROM OUR LEGACY CAMPAIGN CHAIRS

Thank you for believing in North Cross School and for choosing to help chart its future.

We are proud of what we have accomplished together. Because of your investment in the Legacy Campaign, we have taken North Cross to a higher level, just as we had hoped. Something that is regularly said by students and parents is that our teachers truly care about each and every student. Our Legacy Campaign gives have echoed that care for our students and have, through their gifts, added to the rich legacy that distinguishes our school.

As chairs of the Legacy Campaign, we are tremendously grateful for the leadership of our Campaign Steering Committee and for everyone's generous support of this historic effort. This was a campaign of excitement and joy and it has transformed our campus. It has also further solidified North Cross School as an exceptional independent school that will continue to support the Roanoke Valley's economic trajectory.

When we first started this campaign, we were excited about what we would accomplish; and our excitement grew when early commitments and very significant gifts gave us the opportunity to stretch for more. Raising over \$13 million dollars in the Legacy Campaign is the most significant capital campaign in North Cross history, and it is also one of the largest campaigns in the valley. We can all share in the satisfaction of our collective accomplishments.

What the Legacy Campaign actually delivered exceeded our expectations — that our facilities would be a match for the exceptional education our students receive. You, too, can see and sense the excitement and energy that our new learning spaces and outdoor areas have created. Our new facilities will enhance the educational experience of every child in every grade. When you walk our grounds and see where our students learn, you can appreciate the seriousness of purpose this campaign achieved.

Our students, faculty and staff are making full use of the totally renovated and brand new Alma Mater Hall which is home to the new Talfourd H. Kemper Library, new Susan D. Wenk

Student Commons, expanded and renovated Fishburn Theater, new Prillaman Learning Center and CrossWalk wing along with the new and renovated Willis Hall classrooms and Lugar Administrative suite, Ellett Forum, Graeff Pavillion, new Garrett Administrative Suite, new Beck Board Room, expanded meeting and study spaces, and our new Lower School play and green areas. During the pandemic, we have been thankful for the additional indoor and outdoor spaces which enabled us to be socially distanced, and for enhancements to our air filtration systems that aided in keeping our community healthy.

We called this the "Legacy Campaign — Building on Excellence". Our generous giving family has embraced the spirit of both "legacy" and "building on excellence" and, just as our faculty and coaches share their passions with their students, we are grateful for the passionate expression of support offered with every single gift and pledge. It truly is a reflection of who we are.

Thank you for joining our giving community and we hope you will join us in sharing our joy and celebration.

Our North Cross family made this happen, and we are eternally grateful to each and every one of you!

F. RUSSELL ELLETT '84
EDWARD M. SMITH, SR.
Legacy Campaign Chairs

FROM THE DIRECTOR OF INSTITUTIONAL ADVANCEMENT

I truly enjoy and am thankful to have my job at North Cross. Two of the delightful things about my job — first, I get to share the joy of what happens each day on our campus with others; and second, I see gifts from our community that express their gratitude for the wonderful experiences that they, their children, their grandchildren, or their friends have received.

Our community is, indeed, very generous. In fact this year alone, over \$2.6 million dollars were given to the School. This small community has a big heart and a passionate desire to see our School as strong as it can be. Thank you to everyone who has made a gift, thank you to everyone who has volunteered, and thank you for your continued support.

This past year, we crossed the \$13 million threshold for our Legacy Campaign. “Building on Excellence”, the Campaign recognized the strength of our institution’s history and the aspirational and real trajectory of the North Cross student experience. If you’ve not been on campus, please plan to visit. Our exceptional facilities are now a match for the exceptional education our faculty and coaches deliver every day. Everyone here each day appreciates the transformation and you can see, by the look on their faces, that every visitor and potential family is impressed. Those who supported the Legacy Campaign have truly made a significant impact. Thank you.

Together, our community completed the historic Legacy Campaign and raised more than \$13 million to transform our campus. Over the course of the campaign, 513 people will have their names inscribed on our Donor Wall having made gifts and pledges. Of those, 165 of our alumni made gifts — and at least one person from each graduating class from 1965 - 2016 made a gift or pledge to the Legacy Campaign. And though it is too late to have your name added to the donor wall, you may still make a gift to the Legacy Campaign which will be used to pay down the remaining debt.

But that’s not all our community supported this year, so let me tell you a bit more. We’re thankful for the difference Orton Gillingham instruction makes in the lives of our CrossWalk students. Again, our generous community gave \$130,000 to support our

CrossWalk program both to support its operations and to provide financial aid through scholarship funds for students.

To support the school’s operations, we received \$207,022.45 from 267 individuals in gifts to our Annual Fund against our budget goal of \$220,000. As we regularly say, tuition doesn’t cover what it takes to run the school each year. We count on philanthropy from our community to meet our operational revenue needs — it’s not a lot, but it is important to reach our goal each and every year. Thank you to everyone who made their annual gift to the North Cross Annual Fund.

Gifts to The North Cross Foundation provide additional funding to the School for students from families whose incomes are less than 300% of the Federal Poverty

Level. Donors who make gifts to the Foundation are given a 65% tax credit from the Commonwealth of Virginia through its Virginia Education Improvement Scholarship Tax Credit Program (VEISTCP). We received \$291,000 in gifts to support the more than 50 students who qualify under this program. If you wish to learn more about this program, please reach out to me and I’d be glad to tell you more.

In each of the ways you, our North Cross community, have expressed your support of what is happening in our school and our vision for a very bright future, you are building on excellence.

In closing, I’ll say it one more time, it is a pleasure doing what I do for the school, with our community of givers, with my colleagues, and it is heartwarming to see confidence in our school expressed by our record enrollment. As Dr. Proctor often says, there has never been a better time to be at North Cross School.

If you, like so many others, value what happens here and you’ve not yet made a gift to the Annual Fund, the Foundation, or the Legacy Campaign, please consider giving. No gift is insignificant and every gift is impactful to the students here and to students who will walk our halls in the future. The School truly is worthy of your support and appreciative of it.

DAVID LAKE, Director of Institutional Advancement

2020-2021 HONOR ROLL OF GIVING

The purpose of the Honor Roll of Giving is to celebrate and recognize the generosity of each donor to North Cross School. Through the leadership and commitment of our donors, the overall school experience for each student is enhanced. Our deep appreciation goes to all donors for enabling North Cross School to maintain its position as the premier independent school in the Roanoke Valley.

FINANCIAL OVERVIEW 2020-2021 FISCAL YEAR

The 2020-2021 school year saw a dramatic upturn in enrollment, partly due to our new facilities, but also due to our strong response to the spring 2020 COVID shutdown. As a result, we experienced significant growth in revenues, allowing funding for future special maintenance projects and the purchase of two very needed buses.
