Inclement Weather Policy

It is our intent to serve our members to the highest standard. Therefore the Carter Athletic Center will open its doors during inclement weather conditions whenever safely possible. Snow removal and the availability and safety of the staff will be taken into consideration. Group exercise classes will also be provided whenever safely possible.

In the event of inclement weather, if North Cross School is closed or delayed, all morning group exercise classes will be canceled. Evening class availability will be determined based on current road conditions or impending weather. Cancellations will be posted on the North Cross School website. Please go to northcross.org, click on "CAC". If you have any questions or if you are unable to look up the website as to whether a class will be held, please feel free to call the CAC before travelling at (540)989-7284.
