

2016 Spring Athletic Opportunities - Boys

North Cross School strives to “provide students with a variety of activities so that they will discover the full range of their talents and interests.” To meet this goal, the athletic department offers the teams listed below for participation by middle and upper school students. **A Virginia High School League Athletic Participation/Parental Consent/Physical Examination Form (VHSL) must be on file with the athletic office before students can practice with a team.** The VHSL, plus the other three on-line forms from **The 4 Steps to Athletic Participation** must **ALL** be completed on-line prior to participation on any team and can be found on the school website at www.northcross.org/athletics. Tentative game schedules are available on the individual team links via Google calendars at www.northcross.org under the drop-down Athletics tab. Please contact Eric Lawrence at x317 or elawrence@northcross.org for more information.
