

## JUNIOR KINDERGARTEN - GRADE 12

# 2024-25 Schedule of Fees

### Tuition and Fees

North Cross School tuition and fees are shown in the tables below by grade and program. Generally, when all students participate in our programs, most program-related fees are included in tuition. For example, if the grade goes on a field trip, the fee for that trip is included. Tuition includes classroom equipment, intramurals, Symposium (grades 8–12), and standardized assessments in lower grades. Student-specific fees (such as cafeteria charges, books for specific courses, AP tests, lab or art supplies, etc.) are charged to the individual student. North Cross does not charge a fee to participate in athletics, but parents may be charged if teams incur hotel charges for overnight travel or meals.

**Financial aid** is available through our Tailored Tuition program for students in grades K–12. A family's Tailored Tuition is based on a family's ability to pay tuition and is intended to help with some of the cost associated with choosing to attend North Cross.
