Internship Program

Internship Opportunity Description

Internship type:

Event Planning/Social Media

Host Organization/Firm:

Juvenile Diabetes Research Foundation (JDRF)

Address:

3959 Electric Road, No. 222, Roanoke, Virginia 24018

Contact person:

Connie Stevens

Contact email:

cstevens@jdrf.org

Contact phone:

540-772-1975

Describe the business of the internship host:

JDRF is a funding raising arm for research into Type 1 Diabetes, which afflicts well over 3 million Americans. They do this by hosting a community walk, a formal gala, and numerous smaller public events. They use social media extensively.

Some internships will already be defined by the host, in which case the questions below will already be answered. If the answers are to be determined as a result of a conversation with the host, the student must answer these questions and return this form to the Program Director.

Describe the internship tasks and responsibilities:

The NCS interns (2) would gain experience in event planning, marketing, and fund raising. This will involve working with social media and organizing and hosting public events.

When will the internship start? // When will it end? //
