EARLY CHILDHOOD PROGRAM

Move Mondays

Gymnastics classes teach basic tumbling skills such as rolls, handstands, and cartwheels. At times the class will work on the balance beam and bars. Children will be taught by safety-certified instructors who are dedicated to making gymnastics the highlight of each child's week. While fun is the goal, students will benefit from the self-confidence of learning new skills, as well as strength, flexibility, and coordination.

Dates: Sept. 16, 23, 30; Oct. 7, 21, 28; Nov. 4, 11

JK-4 1:15–2 p.m.

Class Fee: \$100

Dance Tuesdays

Students will learn basic ballet exercises and creative choreography along with the corresponding terminology. The course will help children develop better coordination, balance, and good posture. Wear comfortable clothes and socks (preferably non-skid) for a fun introduction to ballet. Traditional ballet attire and ballet shoes are optional.

Dates: Sept. 17, 24; Oct. 1, 8, 15, 22, 29; Nov. 5

JK-4 1:10–1:55 p.m.

Class Fee: \$100

Golf Wednesdays

Get ready to learn to play golf while going on fun adventures with Birdie and her family of Baby Birdies! Children love stories and chances to be creative. Future 36ers classes allow them to be creative and learn in a fun group environment. Classes are taught by Peter Weisel, the Director of Golf Instruction at Hunting Hills CC. Birdie can't wait to go on adventures this fall at North Cross School!

Dates: Sept. 18, 25; Oct. 1, 8, 15, 22, 29; Nov. 5

JK-4 1:15–2 p.m.

Class Fee: \$130

Soccer Thursdays

Soccer Shots is an introductory soccer program for preschool and elementary-school age children. The Soccer Shots curricula have been developed over 15 years of experience and with consultation from top child development experts across the country. Sessions include fun and energetic soccer activities focused on character development, teamwork, and motor skills. Soccer Shots has been ranked the #1 children's fitness franchise in the country for two years in a row.

Dates: Sept. 19, 26, Oct. 3, 10, 17, 24, 31, Nov. 7

JK-4 1:10–1:55 p.m.

Class Fee: \$100

Bricks 4 Kidz® Thursdays

Students will use LEGO® bricks and Science, Technology, Engineering and Mathematics (STEM) principles to build amazing worlds of fun in a variety of different themes. Classes begin with a discussion of the model of the day and students build a new project each week. Students learn basic principles of engineering and architecture, while also solving problems and using critical thinking skills. Children are given time to modify their models and collaborate with other students.

Dates: Sept. 19, 26, Oct. 3, 10, 17, 24, 31; Nov. 7

JK-4 1:10–2:00 p.m.

Class Fee: \$110

K - FIFTH GRADE

Soccer Thursdays

Soccer Shots for K–2nd

The Soccer Shots Premier curriculum is specifically designed for children in grades K–2nd with sessions focused on skill and character development. Our team of coaches, trained by our Coaching Academy, positively impacts children's lives on and off the field through best-in-class coaching, curriculum, and communication. Weekly updates let you know what your child is learning every session and how you can incorporate what we are teaching at home.

Dates: Sept. 19, 26, Oct. 3, 10, 17, 24, 31, Nov. 7

Time: 2:50–3:50 p.m.

Class Fee: \$100

Bricks 4 Kidz® Thursdays

K through Grade 5

Students will use LEGO® bricks and Science, Technology, Engineering and Mathematics (STEM) principles to build amazing worlds of fun in a variety of different themes. Classes begin with a discussion of the model of the day and students build a new project each week. Students learn basic principles of engineering and architecture, while also solving problems and using critical thinking skills. Children are given time to modify their models and collaborate with other students.

Dates: Sept. 19, 26, Oct. 3, 10, 17, 24, 31, Nov. 7

Time: 3:00–4:00 p.m.

K - FIFTH GRADE

Move Mondays

K and Grade 1

TumbleBear Gymnastics will be offering a new class for children in kindergarten and first grade. The class will teach gymnastic basics, focusing on strength and flexibility, along with increasing body awareness and motor skills. Skills gained in this class will also be beneficial in any other sport your child may choose to pursue in the future. We look forward to working with your child and increasing their exercise and athletic ability.

Dates: Jan. 13, 20, 27; Feb. 10, 24

Time: 3:00-4:00 p.m.

Class Fee: \$70
